Forecast For East of England
Issued by Met Office Exeter
at 0400 on Thursday 20 May 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Dry and bright start, rain in the north later.

Today:
A dry and bright morning with sunny spells for most. Turning cloudy in the afternoon with a band of rain moving across the north of the region. Strong winds picking up in the afternoon. Maximum temperature 13 deg C (55 deg F).

Tonight:
The weather will continue to deteriorate overnight with strong winds and rain spreading eastwards across the area. Feeling milder than previous nights. Minimum temperature 9 deg C (48 deg F).

Friday:
Staying windy on Friday with a risk of gales along the south coast later. Light rain at first with some brief dry spells. Heavy showers developing during the evening. Maximum temperature 13 deg C (55 deg F).

Outlook for Saturday to Monday:
Sunny for many on Saturday with intermittent showers. Fine on Sunday, but a band of heavy rain and strong winds sweeps eastwards later. Blustery showers on Monday.
